70+ Utah Ski Safari - February 25 - March 4, 2017

*We all came away from SLC saying how fun the week was!
With such a big group it is a wonderment that it all went so smoothly!*

I often describe the Utah Ski Safari as our signature trip. For over a dozen years, it's attracted members from across the country for an amazing week of skiing and camaraderie. As one person said "So many faces, so many nice people, not enough time to meet them all! Maybe next trip!" We stay in Salt Lake City just a short drive from 8 world class ski resorts. When the weather and roads cooperate our private coaches will take us to ski somewhere different every day! It might sound confusing getting so many people to the slopes every day, but we make it look easy. We all leave together in the morning, but multiple buses gives us the flexibility to stagger the departure times to accommodate different quitting times. Every day starts with a hearty breakfast together and wraps up with a lively cocktail party.

Staying in Salt Lake City works out great. Salt Lake City is easy to get to and the hotel is just a short (complimentary) shuttle ride from the airport. Our convenient downtown location and proximity to the light rail system make it easy to get around and enjoy the nearby restaurants, shopping, museums, sports, and famed Mormon Tabernacle Choir. The city offers so much that this is a good trip for non-skiing spouses. Skiers also say sleeping at a lower elevation is refreshing.

This trip does fill up fast, especially the (2) bed suites, so I encourage you to **SIGN UP SOON** to save your space!
